

DAILY NOURISHING CLEANSER

With green tea ferment
and algae

Item# 22968
120 ML Bottle

Help your skin feel clean, refreshed, and nourished with Synergy WorldWide l'amara Daily Nourishing Cleanser. Infused with fermented tea and algae it gives moisture, calms the skin while cleaning. Citric acid has antioxidant properties that provide a balanced pH. The translucent, soft, jelly-like formula creates a fine, dense foam that soothes the skin when cleaning.

Developed with care and expertise the Synergy WorldWide l'amara products are dermatologically tested. This gentle formula is suitable for any skin type. With clean and pure ingredients, this cleanser makes your skin feel young and glowing throughout the day.

KEY INGREDIENTS
