

SKIN ACTIVATING TONER

With caffeine, green tea, and kelp extract

Item# 22969
120 ML Bottle

Our Skin Activating Toner is perfect to use it as part of your daily skincare routine and can also be spritzed on throughout the day for extra moisture and refreshment. Natural ingredients such as caffeine and fermented tea provide antioxidants to retain moisture, the toner will keep your skin feeling revitalised and awake.

Perfect for the days when your skin needs extra support, this dermatologically tested toner is the best companion to make your skin look healthy and glowing for hours. It instantly refreshes your skin while retaining moisture and care for a firm skin.
